[www.CountryGreen.com](http://www.CountryGreen.com)

Thank you for choosing *Country Green Turf Farms* as your vendor. We have been providing premium quality sod, hydroseeding, fertilizer, seed and turf related supplies for over 30 years.

We hope that you find the following information helpful and share it with all your staff.

Our sod types are:

**Perfect Blend** (netted sod) made up of Perennial Ryegrass, Kentucky Bluegrass & Hard Fescue

**Green Sport 360** (no plastic netting) Perennial Ryegrass and Kentucky Bluegrass

**Versa Green 360** (no plastic netting) Perennial Ryegrass and Fine Fescues

**Green Sport 360** and **Versa Green 360** are only grown in our Olympia location but may be delivered north of I-90 for an additional charge.

Sod is freshly cut to order and **must** be installed and irrigated the same day it is received.

**Warranty** does not extend beyond the time of delivery or pick up and is limited to the replacement quantity of the defective product. All claims must be submitted within 24 hours of delivery. Please visit our web-site for full Warranty information. [www.CountryGreen.com](http://www.CountryGreen.com)

#### Customer Types:

*Retail:* Customers who have no business license in a landscape related specialty.

*Commercial:* Customers who have only a business license and do landscape related work.

*Contractor:* Customers who are licensed and bonded as a *General Contractor*, landscape related Specialty Contractor or are a branch of Government agency.

Wholesale pricing is available after we have been contacted by a Principal of the Company and provided with a current Washington State UBI number. Third parties may not place orders on your account and there is no wholesale pricing available with third party payments.

#### Payment Terms:

Since sod is a perishable item and we cut only enough for that day's orders, we require payment arrangements before or at the time of order.

Credit terms can be arranged by submitting a Credit Application for approval. For convenience we offer credit limited accounts for approved customers. These accounts are also convenient to customers who want the ability to pay with cash or check upon delivery.

In the absence of this agreement, orders must be pre-paid by cash, check or credit/debit card upon order placement.
